Post from the

Tooth Fairy

Dear

thank you for your beautiful white milk tooth!
You took good care of it!

As a tooth fairy, I know a lot about teeth and can tell you:
You have very good teeth. I'm especially happy about that!

That's why I grabbed your tooth right away.
I grabbed your tooth. I can really make good use of it.
As a thank you, I left you a coin.

So that your second teeth stay healthy and shine,
please promise me to continue to brush them to
keep brushing them well.
Because you will keep them for the rest of your life.

Until the next tooth!

Best wishes
from your

Tooth Fairy
